The secondary colour scheme harmonises with the primary scheme. They are chosen to be utilised as accent colours, never as a substitute for the primary colours.

CLEAR ZONES

Different texts, pictures, and other graphics tend to eat the legible space of the logo. This makes the dedicated area look busy and therefore takes the impression and credibility of the logo away.

To avoid this situation, clear zones are used. The blank spaces or the clear zones mentioned are very important in maintaining the credibility of the logo

The logo of Divine Connection should showcase these very clear spaces maintaining the width around, the same height as the word 'Connection' in the logo.

MINIMUM SIZES

The Divine Connection logo is to be produced within the measurements indicated. The logo should never be reproduced in a size smaller than 10mm or 1cm.

DOs AND DON’Ts

Please abide by the restrictions outlined in the guidelines, but there is scope for utilization of your discretion and your knowledge to enhance the dialogue. Please get in touch with the brand team if you ever need assistance or advice.

Before implementation, all work produced for Divine Connection should receive approval from the brand team. Use these standards as a resource to acquire the knowledge and abilities required to nail down those particulars and represent our brand with perfection.
